

**Title 20—DEPARTMENT OF COMMERCE AND
INSURANCE
Division 2250—Missouri Real Estate Commission
Chapter 10—Continuing Education**

**IN ADDITION
NOTICE OF SUSPENSION OF RULE**

**20 CSR 2250-10.100 Continuing Education Requirements for
Licensees**

*ACTION TAKEN: This NOTICE OF SUSPENSION OF RULE 20 CSR
2250-10.100*

Section (1) requires all licensees who hold an active license to complete at least twelve (12) hours of approved continuing education credit during the two (2) year license period prior to renewal. The regulation prohibits licensees from renewing their licenses without the required twelve (12) continuing education credits.

Most of the in-seat continuing education courses are being canceled from March 16 through mid-April (and maybe beyond), the real estate testing company has closed all Missouri testing sites until at least April 21, and many accredited real estate schools have canceled or postponed in-class courses until further notice. The commission will waive portions of the above requirements in order to extend the renewal period and permit accredited schools to use alternative methods to instruct real estate licensees; thereby, protecting the school staff and real estate licensees to possible COVID-19.

EMERGENCY STATEMENT: Pursuant to Executive Order (EO) 20-04 dated March 18, 2020, the rule is suspended effective April 17, 2020 until May 15, 2020.

This in addition notice will appear in the June 1, 2020 issue of the Missouri Register.
